## LIHIR DATABASE UPDATE

### WHY IS IT IMPORTANT TO REGISTER?

MRLC have been working on a Lihir database to organise and store relevant data to assist with identification, record keeping and streamlining the distribution process for eligible Lihirians. You must register to be a part of this database to avoid any delays to distribution payments, further information on this process has been included below.

### REGISTRATION IS OPEN SOON

Implementation of this program will require all Lihirans to be registered on the database. MRLC are currently finalising when and where registration will be taking place. Individuals will need to ensure they meet with the Lihir database registration team on the allocated time and date. Registration is expected to commence on 27th November 2018.

### HOW TO REGISTER

Please ensure you are available at the times provided when the Lihir database registration team is in your area. Registration dates and times are currently being coordinated and further updates will be provided soon. When registering for the database, you will need to bring:

- Photo ID
- Bank account information

Further updates will be provided when registration will be taking place through additional notices and on the MRLC website. To stay up to date on the Lihir database, please visit [www.mrlcapital.com.pg/database](http://www.mrlcapital.com.pg/database).
